From the author of Fresh Off the Boat, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork. Eddie Huang was finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he

autobiography, the story of his evolution from a confused kids who was fresh off the boat to an entrepreneur and a food celebrity. I really like this book because his life experience runs parallel to mine in many ways. There are difference though, and even though Eddie speaks from a place that is near and dear to my heart, I am from an era that is far removed from Eddie Huang's generation. But unlike L.A. Son, which doubled as a lavishly illustrated cook book, Fresh off the Boat is just straight up text. The depiction of food isn't nearly as as vivid. Also, Choi is much more of a bad ass than Huang, yet he doesn't try as hard to come off like one. Huang's gangsta bravado stretches kind of thin after a while.
