What Can Dance Teach Us about Learning? - Dana Foundation

What Can Dance Teach Us about Learning? By: Scott T. Grafton, M.D. An action such as a dance move activates the same brain circuitry whether we perform it ourselves or watch someone else perform it, research indicates.

The Ontario Curriculum, Grades 1-8: The Arts, 2009 (revised)

between the arts and other areas of the curriculum, students will learn to see how the arts can increase understanding or can give them alternative modes of expression for their ideas. For example, students can use dance to explore feeling and movement in the study of a science topic such as the stages of a natural disaster; through drama, they can explore the point of view of characters whose
